Sent via email from RED+F Vendor Notice on 02/17/2022

As a healthcare organization that prioritizes q all RED+F contractors, service endors, and consultants (collectively "Contractors/Vendors") and their subcontractors, suband personnel (collectively "personnel") that do not function as extensions of staff. We tely identified contractors that function as extensions of staff.

nations

ors/Vendors and their personnel who provide services in or on any premises owned or NYULH or any of its affiliates are required to receive a Covid-19 booster by Mansla Med o

r o perated

Entrance Screening

Contractors/Vendors who wish to access NYULH facilities which have a controlled entrance will be subject to temperature check and symptom assessment. If the individual does not accept the screening protocols, or does not pass the screening tests he/she will not be admitted.

For admission to NYULH facilities which do not have a controlled entrance, please coordinate with the NYULH Manager who requested the service prior to arrival for communication of your obligations with respect to our screening requirements.

Compliance with Other Applicable Requirements

Contractors/Vendors are required to comply with all other applicable federal, state, local, and NYULH requirements related to masking, social distancing, and other measures designed to control the spread of COVID-19.

Thank you for your cooperation.

Paul Schwabacher Senior Vice President, Facilities Management Real Estate Development + Facilities NYU Langone Health
